Dear Convention Supporter,

Praise God from whom all blessings flow and thank Him for blessing Louisiana Baptists!

This is a pivotal year in the life of our **National Baptist Convention** as we must elect a new president to guide the ship of our denomination. I am thankful to God for the brethren who have offered themselves as candidates for this highly esteemed place of service. Each of them possesses admirable Christian attributes and they are worthy of our respect.

However, I believe that Doctor Boise Kimber is the right person to take the reins of leadership during such a time as this. After much prayer and discussion, my vote will be cast for Doctor Kimber in the **September 2014 Election**. He has pledged to me that Louisiana Baptists will play a key role in his administration as we have always done in the past. His message continues to resonate across this country which has attracted a broad base of support. Seasoned pastors, as well as younger pastors have given letters of support for his candidacy and I believe, he will be the next president of the National Baptist Convention, USA, Inc.

I ask that you would give thoughtful consideration to joining with me in support of **Doctor Boise Kimber for President**.

Your Servant in Christ,

C. S. Gordon, Jr., President
